CALIFORNIA LEGISLATURE—2005—06 REGULAR SESSION

ASSEMBLY BILL

No. 658

Introduced by Assembly Member Liu
(Coauthors: Assembly Members Berg, Hancock, and Karnette)
(Coauthors: Senators Kuehl and Romero)

February 17, 2005

An act to add Chapter 5 (commencing with Section 3430) to Title 2 of Part 3 of the Penal Code, relating to inmates.

LEGISLATIVE COUNSEL'S DIGEST

AB 658, as amended, Liu. Women inmates.

Existing law establishes various alternative sanctions for male and female nonviolent offenders, including community correctional centers, community correctional reentry centers, substance abuse community correctional detention centers, restitution centers, and community based punishment programs. Existing law also establishes the Pregnant and Parenting Women's Alternative Sentencing Act, to provide alternative facilities for women who are pregnant or parents of children 6 years of age and younger.

This bill would require the Department of Corrections to develop a pilot program that creates expanded incarceration options for nonviolent women offenders. The bill would require the director of the department to appoint a deputy director of women's programs to oversee that pilot program and the development of reforms that effectively address the risks and needs of women inmates and their children.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
